

Gabrielle Rizzi

Associate Partner / Architect

Gabrielle is a Pennsylvania registered architect with experience in educational, commercial, community, industrial, retail, and residential facilities in Toronto and the greater Philadelphia area. Registered as an architect since 1990, Gabrielle joined MKSD in 2007 and currently serves as an Associate Partner preparing schematic designs, design development, construction documentation, bidding, negotiation, and contract coordination. She also follows a project during the construction process to ensure quality and project intent by attending job construction progress meetings, reviewing contractor schedules, approving contract changes, reviewing progress payments, and overseeing project closeout.

Born and raised in Toronto, Gabrielle received a Bachelor of Technology, Architectural Science degree from Ryerson University, a Masters of Architecture degree from the University of Michigan, and also participated in Denmark's International Study Program at the University of Copenhagen. She has travelled and resided in many of the Scandinavian and Central European countries assimilating into the local culture as she is multilingual. In addition to living in Pennsylvania, she has resided in Columbus, Ohio and in the greater Chicago area.

Gabrielle is married to Ken Rizzi and has two daughters, Jacqueline and Adrienne. She is involved in many activities with her family and is active in her community. On weekends, she enjoys gardening, hiking, painting, and expanding her culinary skills.
